eMaster 

## *December 2011 Newsletter*

Arcadia, CA –December, 2011 - Master System, a leading developer of ERP business software solutions, is pleased to inform you of some exciting add-on features:

***At this joyous time of year, we are grateful for your business!  
We wish you peace and happiness for the New Year. Happy Holidays!***

- ✓ Ask us about updating UPS rates for 2012, effective January 2, 2012.
- ✓ The 2011 Form 1099 report can be added to your system. Ask us for details.

REMINDER: We will be CLOSED on Monday December 26<sup>th</sup>, 2011 and CLOSED on Monday January 2<sup>nd</sup>, 2012.

### **Multiple Web Inventory Setting**

Setting up your inventory file on your website may take a good amount of time. In our new eMaster module, we can add your items and set them by Brand, Carrier, Model, Style, Special Events and Category. In addition, you can easily select a list of items or simply import them from a .csv file.

### **Creating Sales Orders in eMaster Enterprise**

In eMaster Enterprise, your sales representatives can create and place sales orders for their customers remotely using your eMaster Enterprise module on your website without the need to access OMS in the office. Creating a sales order on the Enterprise module is similar to the B2B module, making it easy and convenient. Talk to us about the new eMaster Enterprise today.
