ERP Business Software Solutions

## *November 2011 Newsletter*

**Arcadia, CA –November, 2011** - Master System, a leading developer of ERP business software solutions, is pleased to inform you of some new add-on features:

### **My Favorite Report in General Ledger Module**

The newly developed My Favorite Report in the General Ledger Module has the ability to create your own financial statements, allowing you to easily create a report by assigning summary and detail accounts listed, using a formula between the accounts, and an option to choose what you want to display in the report. This new add-on enables the flexibility to create and organize financial statements that exactly meet your needs. Ask us how this feature can be added to your system.

### **Releasing Retail Stores in eMaster**

Do you know that in your eMaster eCommerce Solution you are able to automatically show all of your corporate customers' chain stores? This will allow their customers and potential customers online able to view all possible stores nearby to encourage purchases and your product sales worldwide.
